About Karnpura College :

Karnpura College, Barkagaon (District – Hazaribagh, Jharkhand) A Permanent Affiliated Unit of VBU, Hazaribag was established in the year 1983, and it is managed by the Pvt. Unaided. The college is situated at Barkagaon Tandwa Road in a rural area surrounded by mountains all around. When there was no system of higher education in any area of Barkagaon and Keredari block and the system of education of girl students was negligible. In such a situation, Karanpura College was established by Shri Ramsevakji with the help of Shri Loknath Mahato (former MLA). Raja Dalel Singh was the king of Karnpura region from 1677 to 1724, whose capital was in Barkagaon (Badam), after this area the college was named Karnpura College, whose complete remains are presently present. This rural area is a very poor area, situated at a distance of 27 km from the city. Most of the Harijans, Adivasis and backward class people reside in this area. Therefore, the construction of this college was very important for the rural area, which is seen even today and even now only degree college there in both the blocks, Karnpura College. Therefore, all round and all-round development of this college is essential for higher education.

About Ixora Research Association:

Ixora Research Association (IRA) a non-profit organization approved and registered under Ranchi ,Jharkhand Society Registration Act -XXI,1860. The primary objective of the Ixora Research Association is to act as a buffer for the millions of young students, researchers, scholars, scientists and academicians across the country, belonging to the all fields. Right from organizing conferences and facilitating the publishing of promising research papers to the nurturing of young minds by aiding the spread of critical knowledge, the IXORA is at the forefront of all these activities.

One of the aims of the Ixora Research Association is to remove the gap between the establishment and young researchers, scholars who are looking to expand their knowledge base, spread awareness of their extraordinary research work, and further their career prospects
